Patent Portfolio Analysis - Signicent LLP: Signicent LLP specializes in Patent Portfolio Analysis, a comprehensive assessment of a company's patents, whether your own or competitors'.

We offer benchmarking services, helping you identify strengths and weaknesses. Our in-depth analysis reveals white spaces in your portfolio, opening opportunities for partnerships or IP licensing. With access to corporate-tree databases, we conduct IP searches for parent and sister companies, including mergers and acquisitions. This analysis maps patents to product portfolios, providing insights into product-wise patent distribution, focus shifts, and invaluable business intelligence.

Trust Signicent for unparalleled patent analysis expertise.
