Set up offshore company in Cook Islands - Eurofinanza: The Cook Islands Trust is an international asset protection vehicle that is very popular with high-net-worth individuals. The trust is governed by the International Companies Act 1981 and is administered by a Cook Islands Trustee Company. A licensed trustee must be appointed to manage the trust and its assets. The trustee has a fiduciary duty to manage the trust in the best interests of the beneficiaries. The Cook Islands Trust is a flexible and powerful tool that can be used to achieve a variety of financial objectives. For more information you can visit our website : <https://www.eurofinanza.com/cook-islands-company-formation>.
