A Care Plus: A Care Plus

A Care Plus is an association of caregivers that provide personal care to seniors regardless of race, ethnicity, gender, religion, and nationality in the San Francisco Bay Area, comprising Fremont, Hayward, San Lorenzo, Union City, Newark, and adjacent cities, as much as possible. We pray, sing and rejoice in their health. We communicate with seniors, walk with them (as feasible), entertain them, and assist them in their daily living and hygiene. In short, we provide comfort and care.
