Traveling all around USA and the World.

Arabic DJs offer a wide variety of music, from different Country, and English music from the 60's to today's top 40 hits. Our music selections are built to have everyone up and dancing.

We will do all introductions and make any announcements. We will play the music that YOU want to hear

in a smooth and seamless way, keeping the momentum of your party. We will read the crowd, connect with the guests, and ensure everyone has a great time.
