Buy Dining Room Furniture Online: Lixra is a small and women-owned Home Furnishing company based in Georgia, United States. It is a family-owned furniture business with international recognition that was launched in 2021. The Lixra ethos is based on the concept of unique design. Our portfolio includes opulent and contemporary furniture designed in an Italian and European minimalistic style. We offer a uniquely curated selection to meet the needs of today's contemporary lifestyle. Our products are available through our website and select interior design boutiques around the world.
