Quality manufacturers, service first, customer first, affordable, we have many other types of chemical products, if you need to contact us

Founded in 2008, Tapur specializes in the production of pharmaceutical intermediates, APIs, fungicides and daily use chemicals. Typu also supplies its customers with a wide range of industrial chemicals. After 10 years of development, Typu has grown into a diversified company that is not limited to chemicals, but also includes real estate, apparel, agricultural products and more. We can provide OEM services according to customer needs. If you have great plans for a new product, but lack laboratory equipment and human resources, we are happy to solve this problem for you.

Application: Research chemicals

Delivery time: within 2 days

Ports: Beijing, Shanghai, Shenzhen, Hong Kong

Purity: 99.9%

Packing: 1 kg/aluminum foil bag
