Price: **Free** Understanding Tongue Drums: Tongue drums are becoming popular in the metaphysical world of powerful energies, natural crystals, and other elements. When devices like the orgone pyramid, available at Peacefful Intentions, transform the energies of a given space, the tongue drum portals you to a different realm where peace and tranquility prosper. The origin of the Tongue Drum can be traced to ancient times, however, the drums we find now

the tongue drum portals you to a different realm where peace and tranquility prosper. The origin of the Tongue Drum can be traced to ancient times, however, the drums we find now are a modern invention. These drums offer many benefits, which we will get into shortly. Tongue Drum, or Happy Drum, is an innovative product that helps soothe our minds like the ever-popular orgone pyramids.
