All Natural Oxygen-Rich Gel: Our stable Oxygen Rich Gels may help with rashes, wrinkles, burns, cuts/wounds, acne, cold sores and more! KAQUN Natural Gel Unscented For All Skin Types - NEW IN 2.5 FL OZ. KAQUN Gel is a 100 Percent Natural, yet scientifically developed oxygen-rich gel, that transports bonded oxygen molecules from the surface of your skin deep into subcutaneous tissue layers.

A deeply hydrating dry skin moisturizer in a refreshing, lightweight water-gel texture. Made with carefully selected amino acids, vitamin B3-B5, and pure Oxygen Water to strengthen & repair your skin barrier. This daily hydrating gel has been used and recommended by women worldwide. Safe and effective for all skin types, in a minimalist, fragrance-free formula with only natural ingredients.

This product is especially essential after any aesthetic treatment—such as microneedling, Botox, or fillers—for faster recovery and enhanced results. KAQUN Gel supports your skin's natural healing process and is the perfect companion post-treatment, as well as a daily staple to maintain optimal skin health.
