Address: **5275 N Ann Arbor Rd, Dundee, MI 48131, United States, Ann Arbor, Ann Arbor**

Price: **Free**

Railroad Excvator Attachments - Mitchell Railgear: The Mitchell Tamper attachment is a versatile piece of equipment designed to enhance railroad track maintenance. It consists of four hydraulic vibrating tamping tools that perform tie "tamping" operations on both sides of the rail, effectively leveling the ballast around the ties and ensuring proper support beneath them. For more information you can visit our website : <https://www.mitchell-railgear.com>.
