Premium Tool Carts and Storage Solutions by Uratech – Designed for Performance and Built to Last: Looking for industrial-grade tool carts for your CNC tool holders?

Uratech . specializes in the design and manufacturing of premium tool carts tailored to fit all major types of CNC holders, including CAT, BT, NMTB, ISO Tapers, DV, HSK, KM, VDI, and CAPTO holders.

Operating across two countries – the USA and Canada, Uratech is proud to offer Made-in-USA solutions that combine durability, versatility, and superior craftsmanship. All our products are constructed with cold-rolled steel, providing long-lasting strength, and are powder-coated for added resistance to wear and corrosion. Each unit is also equipped with impact-resistant red nylon inserts to securely protect your valuable CNC tooling.
