Cody's Tree Service: From emergency hazards to seasonal upkeep, Cody's Tree Service delivers reliable care for your property in South Lake Tahoe, California. Homeowners and contractors turn to our crew for complete Tree Service, including precise Tree removal and thoughtful Tree trimming/pruning that encourages healthy growth and better views. Schedule an Arborist consultation to evaluate tree health, plan Defensible Space, and map out Fire mitigation and Fuels reduction that align with local conditions. We also handle Land Clearing and Lot Clearing for new builds or renovations, keeping sites clean and project-ready. Beyond fieldwork, our Wood Products team transforms salvaged logs through wood milling into custom wood boards and Mantels, and we supply Firewood to put every piece to good use. If you've been searching for tree service near me, count on us for punctual communication, careful cleanup, and a safety-first approach that respects your home and the forest around it. Let us shape a plan that protects your property and enhances its natural beauty. |
