Uratch: Premium CNC Tool Storage Solutions for VDI Holders: Uratch specializes in designing and manufacturing high-quality CNC tool storage products tailored for VDI holders, including VDI 25, VDI 30, VDI 40, VDI 50, and VDI 60. Built for exceptional durability, our storage solutions can support loads up to 4,000 lbs, ensuring that your tools are securely stored and easily accessible.

Durability and Performance: 16-Gauge Cold Rolled Steel

Our CNC tool carts are crafted from 16-gauge cold-rolled steel, offering unmatched strength and longevity. The powder-coated finish ensures resistance to wear and tear, making our products a reliable choice for industrial environments. These carts are designed to handle the toughest conditions, providing long-lasting performance that keeps your CNC tools organized and protected.

Wide Range of Models for Your Needs

With 12 different models to choose from, we offer a variety of CNC tool carts suitable for all types of VDI holders. Whether you need a compact storage solution or a heavy-duty cart for
